### 6500 Santa Speedo Shuffle

Register for Cystic Fibrosis ACT's annual 6500 Santa Speedo Shuffle to be held on Sunday 26 July and raise funds to support Canberrans living with Cystic Fibrosis, a chronic genetic condition with an average life expectancy of 38. The event will see a group of Santas embark on the shores of Lake Burley Griffin in festive red speedos to run around the loop as many times as possible in 65 minutes, ending with a special Christmas in July celebration at The Deck at Regatta Point.

Now in its fourth year, the 6500 Santa Speedo Shuffle helps Cystic Fibrosis ACT continue its mission to improve the quality of life for people with Cystic Fibrosis and their carers. Teams can be up to six people and must raise a minimum of \$2,000 before 9am on the event day. If running in red speedos isn't your thing, individuals can register for the Reindeer Dash for Cash: adult \$35; under 18 \$15; under 6 free. Santa registrations close 30 June, Reindeer registrations close 24 July. Details: cfact.org.au
